

The logo features the word "CrossFit" in a bold, black, sans-serif font. The letters are stylized with a splatter or ink-blot effect. Above the text, several black silhouettes of athletes in various dynamic poses are integrated into the design. From left to right: a person performing a handstand, a person lifting a large tire, a person holding a kettlebell overhead, a person squatting with a barbell, and a person jumping. The overall aesthetic is energetic and athletic.
